#### Reach Quad Bar Options

Choose your Quad Controls. Bowhead REACH options below. Final options and details will be confirmed with you prior to build date.

None (Standard)

Regular quad bar (Upgrade \$1,499.00 USD) – Brakes controlled via entire hand rotation with a paddle throttle

Your right-hand grip strength and mobility on a scale from 1 to 10 (Low strength, minimal mobility = 1 / High strength, Lots of mobility = 10):  1  2  3  4  5  6  7  8  9  10

Use this section to add relevant notes about your right hand function:

Your left-hand grip strength and mobility on a scale from 1 to 10 (Low strength, minimal mobility = 1 / High strength, Lots of mobility = 10):  1  2  3  4  5  6  7  8  9  10

Use this section to add relevant notes about your left hand function:

### Bowhead Reach™ Adventure Ebike Information

#### Frame Material

Stainless Steel (Standard)

Titanium (Upgrade \$999.00 USD)

#### Articulation Selection

The standard Reach articulation is designed with bushings. The new Pro Bearing Front End is made with bearings and delivers increased clearance, maneuverability, and performance. Enduro bearings also decrease the amount of maintenance required and deliver an exceptional riding experience, enhancing both durability and efficiency on challenging terrain:

Bushing Front End (Standard)

Pro Bearing Front End (Upgrade \$999.00 USD)

#### Seat Width

12"  14"  15"  16"  17"  18"
